ADDRESSING OBESITY TOGETHER

W O D E U R O P E

Enabled with the support of our sponsors

Boehringer
Ingelheim

Lilly

Medtronic

novo nordisk®

WOD Europe initiative was sponsored by Boehringer Ingelheim, Eli Lilly and Company, Medtronic and Novo Nordisk. While our supporters have contributed to the funding of this ECPO initiative, they have no influence on the choice, content or execution of this activity. All ECPO events, activities, campaigns and materials are developed and created solely by ECPO as a patient led organisation, as per the terms of our constitution.
